Motability Q2 2026 Customer Price Guide

Prices valid for new applications from 1st April to 30th June 2026

Motability Programme

The Motability scheme helps people who qualify for a government-funded mobility allowance to exchange this to fund the lease for a brand-new Jeep.

Jeep is proud to support the Motability scheme as it means having independence - helping to make the lives of drivers and their families just that little bit easier.

In this price guide, you can find Jeep vehicles on the Motability scheme. The guide includes the Advance Payment (AP) which is a one-off payment to be paid at the start of your lease.

In addition to this, there is the weekly rental. Some vehicles will cost the full weekly allowance, shown as the total allowance (T/A) in the table.
