Motability Q4 2026 Customer Price Guide

Motability Scheme

Prices valid for new applications from 1st October to 31st December 2026

Motability Programme

The Motability scheme helps people who qualify for a government-funded mobility allowance to exchange this to fund the lease for a brand-new Jeep.

Jeep is proud to support the Motability scheme as it means having independence – helping to make the lives of drivers and their families just that little bit easier.

In this price guide, you can find Jeep vehicles on the Motability scheme. The guide includes the Advance Payment (AP) which is a one-off payment to be paid at the start of your lease.

In addition to this, there is the weekly rental. Some vehicles will cost the full weekly allowance, shown as the total allowance (T/A) in the table.

Motability Programme

Do you qualify?

To qualify, you must receive one of the government-funded mobility allowances listed below, with at least 12 months allowance remaining:

- Higher Rate Mobility Component of the Disability Living Allowance (DLA)
- Enhanced Rate Mobility Component of Personal Independence Payment (PIP)
- War Pensioners' Mobility Supplement (WPMS)
- Armed Forces Independence Payment (AFIP)

Motability Programme

Motability All-Inclusive Package

The Motability Scheme is an all-inclusive package. Every three-year car lease includes:

- Insurance for up to three drivers
- Servicing and maintenance
- Full breakdown cover
- Tyre repair and replacement
- A home chargepoint and standard installation when you choose an electric vehicle on the Motability Scheme, or access to the bp pulse network

Following UK Government tax changes, updates are being introduced to ensure the Scheme remains sustainable long term. From 1 July 2026 the lease will include:

- Mileage allowance: 30,000 miles over a three-year lease
- Tyre replacement: up to six tyres during a three-year lease (including up to four due to damage)
- EU breakdown: customers will need to pay an admin fee for a VE103 certificate and inform the RAC when travelling outside the UK
