Official fuel consumption figures for the Jeep® Compass range mpg (l/100km) combined: 30.7 (9.2) to 48.7 (5.8). CO<sub>2</sub> emissions: 209 - 157 g/km. Fuel consumption and CO<sub>2</sub> figures determined on the basis of the new WLTP test procedure as per Regulation (EU) 2017/1347. Fuel consumption and CO<sub>2</sub> figures are provided for comparative purposes. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Jeep® is a registered trademark of FCA US LLC.

Prices, fuel consumption and CO<sub>2</sub> emission figures are correct as of April 2020 and published to our dealer network which may be subject to change. Colours of vehicles shown may not match the actual colour.
